\$93,500

3 Bedroom, 1.00 Bathroom, 1,128 sqft

Residential on 0.53 Acres

Not In Subdivision, Richlands, NC

INVESTOR SPECIAL! This little farm house needs all the TLC. Work was started (new shingles on part of the roof, some new windows installed and the demo has been almost completed - depending on how you want to reconfigure the house). House is on a septic (no permit was on file) but the seller had it inspected a few years back when it was purchased. There is a barn on the property as well. This little farm house has all the potential to be a super cute property with the right updates. The remaining windows that have not been installed will remain with the house but any other items will be removed. Please use caution when viewing as the subfloor has been removed as well in part of the house. Being sold AS IS ONLY!

Built in 1940
