Village West, Emerald Isle, NC

Better than new and beautifully coastal! Welcome to Village West—Emerald Isle's newest mixed-use community—where convenience, style, and a relaxed beach lifestyle all come together. This rarely available Unit D is one of only eleven condos in the entire community and enjoys a prime location overlooking the pool with peek-a-boo ocean views. Three covered porches add to the outside living space.

Thoughtfully designed with over 1,300 heated square feet, this 2-bedroom, 2.5-bath condo also features a flexible bonus room perfect for guests, an office, or a cozy retreat space. Built in 2021, it showcases all the modern touches buyers love—10' ceilings on the main level, a bright and spacious kitchen with granite countertops, tile backsplash, floor to ceiling cabinetry, a large dining island, upgraded moldings, LVP flooring, and stainless-steel appliances. Upstairs, the 9' ceilings add to the airy feel, while the seller has added charming beaded-board wainscoting in the stairwell for a custom coastal touch.

This home is offered fully furnished—right down to the silverware (with only a small exclusion list), making it truly move-in or rental-ready.

Village West residents enjoy a private community pool, bathhouse, grilling area, gated parking with two assigned spaces, and inviting green spaces to relax or gather. And

the location? Unbeatable. Stroll to shops, dining, and drinks right within the community. The Western Ocean Regional Access is just steps away, and the bike & pedestrian path is only one block from your door. Plus, family fun is close by at the waterpark, go-karts, and mini golf. Don't wait! Condos in this community rarely hit the market. This coastal gem won't last long!
